

Pursuant to Articles 6.3 and 9.7 of the Law on Transmission, Regulator and Electricity System Operator in Bosnia and Herzegovina ("Official Gazette of BiH", No. 7/02 and 13/03), at its session held on February 27, 2008 the State Electricity Regulatory Commission rendered

DECISION

ON TEMPORARY REGULATION OF TECHNICAL REGULATIONS FOR CONSTRUCTION OF OVERHEAD POWER FACILITIES

1. Until the adoption of new technical regulations for the construction of overhead transmission facilities by the competent state authority, the regulations established by the Rules of Technical Regulations for Construction of Overhead Power Transmission Lines of Nominal Voltage from 1 kV to 400 kV ("Official Gazette of SFRJ", No.65/88) shall be taken over temporarily as technical regulations with which the construction of facilities in safety zones on the territory of Bosnia and Herzegovina shall be complied with.
2. The Decision shall enter into force on the eighth day after its publication in the "Official Gazette of BiH" and it shall be published in the official gazettes of the Entities and Brčko District of Bosnia and Herzegovina.
