2. The licence referred to in point 1 of this decision shall be suspended in the period from 14 December 2023 to 23 November 2024.
3. This decision shall come into force on the day of adoption and the operative part thereof shall be published in the "Official Gazette of BiH" and the official gazettes of the Entities.

#### ***Statement of Rationale***

On 28 November 2023, legal person "Global Ispat koksna industrija" d.o.o., Lukavac (hereinafter: the applicant) filed with the State Electricity Regulatory Commission a request for suspension of the license for performance of the international electricity trading activity for a 12-month period, which was registered under number 05-28-12-366-1/23.

Namely, on 23 November 2023, the applicant was issued the temporary licence for performance of the international electricity trading activity under registration number 05-28-12-245-23/22, for the period from 24 November 2022 until 23 November 2024.

It is the undisputable right of the applicant as a holder of a licence to request its suspension within the meaning of Article 57 of the Licensing Rule - Consolidated Version (Official Gazette of BiH, 63/16), with the fulfilment of the obligation of paying the previously prescribed application fee for licence suspension.

Licensees are free to dispose of the right of ceasing the international electricity trading activity in line with their business interest for a specific period of time or permanently, to report the intention to use this right to the regulator and obtain a decision to that effect as prescribed in the regulatory rules.

Taking into consideration the aforesaid, it has been decided as stated in the operative part of this decision.

Pursuant to Article 9.2 of the Law on Transmission of Electric Power, Regulator and System Operator of Bosnia and Herzegovina, proceedings may be initiated against this decision before the Court of Bosnia and Herzegovina by filing a lawsuit within sixty (60) days of receipt thereof.
